♡

*Plan  
Create  
Clients  
Grow* ♡

*Big  
Plans  
Beautiful  
Results*

## Initial Investment Planning

Learn how to plan a realistic starter budget, prioritize essential purchases and manage your expenses wisely.

## Client Contracts & Booking Process

Set up a professional booking system, take advances, use client agreements and handle cancellations with clarity and confidence.

## Smart Product Buying

Discover what to buy first, which products are must-haves, and what to avoid buying too early, saving money while building the right kit.

## Social Media Setup

Learn how to set up Instagram and other business profiles, optimize your bio, highlights and branding to attract the right audience.

## Vanity Setup Essentials

Set up a functional and beautiful workspace with the right mirror, lights, chair, storage and organization for a professional experience.

## Content Strategy

Create engaging content with before/after posts, reels, client reviews and behind-the-scenes moments that showcase your work and personality.

## Pricing Strategy

Learn how to price your services based on your skill level, time, product cost and market demand with confidence.

## Lead Generation

Discover effective ways to get clients through referrals, collaborations, networking and local marketing strategies.

## Bridal Package Planning

Understand how to structure bridal packages, include add-ons and create options that suit different client needs and budgets.

## Editing Basics

Learn simple photo and video editing techniques to make your work look professional, consistent and attractive on social media.

*Turn Your Passion  
Into a Profitable Career* ♡
